INSTRUCTIONS AND FILING PROCEDURE FOR REZONING PETITIONS

The City of Elkhart Plan Commission and the City of Elkhart Common Council shall consider all applications for rezoning. The Plan Commission conducts a public hearing at its regular meeting and makes a recommendation to the City Council. The City Council considers the Plan Commission recommendation and makes the final decision. Rezoning petitions shall be filed by a property owner(s) or a property owner's attorney. The following information is provided as a guide for filing petitions.

Full responsibility for handling and following through on a petition rests with the individual(s) filing the petition. The importance of verifying and submitting a correct legal description, as well as all other required information pertinent to the consideration of the petition cannot be over-emphasized.

The Planning Department staff will gladly answer any questions you may have. Please note it is **not** the staff's function to prepare the petition. If you are unable or do not feel comfortable preparing your petition, we would strongly recommend that you consult or hire an attorney to prepare it for you.

A complete Rezoning Petition (see page 2) must be filed with the Planning & Zoning Department located at the Permit Center at 229 S. Second Street, Elkhart, Indiana OR filed through our Online Portal: [Citizen Portal \(civicgov4.com\)](https://civicgov4.com). **Petitions must be filed no later than the filing deadline dates as shown below** on the Plan Commission calendar, and with all required signatures in permanent ink.

A complete Rezoning Petition must contain the following information:

1. ____ **A Rezoning appeal letter patterned after the sample form on page 4** and including such data and/or information with a detailed explanation of why the property should be rezoned. The petition must address and discuss each of the applicable standards (see page 3) that the Commission must use to make a judgment. Please include any other pertinent data that will assist the Commission in their decision.
2. ____ A completed **Petition form (see pages 5 & 6)** signed by the legal owner of record of the property that is the subject of the Petition. **The owner(s) of record at the time the petition is filed shall be considered the applicant and must sign the petition.** If the petition is filed by any person other than the legal owner or the owner's attorney, written authorization of the legal owner authorizing the person to act as the owner's agent for petition purposes must be filed with the petition. If the applicant is not an individual, the name(s) and title(s) of the person(s) who are authorized to execute legal documents for the applicant shall be supplied. Land Contract Purchasers or Renters cannot bring petitions without authorization from the owner of record.
3. ____ A full and accurate legal description of the property for which the rezoning is being requested. **The abbreviated version shown on a tax form is NOT an acceptable legal description.** A full legal description may be found on the recorded deed or possibly on a certified survey. If the legal description is in a Word or PDF format, please email it to Carla.Lipsey@coei.org.
4. ____ One (1) to scale drawing of the property, measuring 11" x 17" or smaller showing the dimensions of the property, buildings, yard setbacks, parking layouts, distances to adjoining buildings, and any other information that is pertinent to your petition. If drawing is larger than 11" x 17", 25 copies of the site plan must be provided. **Site Plans for all new commercial construction must be submitted to Public Works for Technical Review.**

| \$400.00 | Rezoning to Commercial or Other |

Failure to meet any of the above requirements will result in your application not being accepted by the Planning Department staff until such time as said requirements are met.

REZONING PROCEDURE

Petitions for Rezoning are reviewed by the Planning Department staff prior to the public hearing and decision of the Plan Commission. After the hearing the Commission will send their recommendation (do pass or do not pass) to the public hearing and final decision of the City Council.

You or your designated representative must be present at both the Plan Commission meeting and the City Council meeting to make a presentation and answer any questions that may arise. The presentation must include sufficient evidence relating to the **standards listed below** (as well as any other information you feel is pertinent to your petition) to persuade the Commission and Council to grant your request.

After you have completed your presentation, public comments are heard for or against your petition.

You may be allowed to respond to any comments or answer any questions which may arise concerning your petition; this is at the discretion of the Commission Chairman or Council Chairman.

Standards that must be considered for a Rezoning: Section 29.11 of the City of Elkhart Zoning Ordinance mandates that the Plan Commission and City Council **shall** pay reasonable regard to the following:

1. The Comprehensive Plan;
2. Current conditions and the character of current structures and uses in each district;
3. The most desirable use for which the land in each district is adapted;
4. The conservation of property values throughout the jurisdiction; and
5. Responsible growth and development.

The Planning Department staff will consider these standards when making a recommendation to the Plan Commission. You **must** address the above five standards within the body of your appeal letter (see page 4).

Notice of the public hearings are prepared by Staff and published in the newspaper 10 days prior to both meetings. Please refer to the Plan Commission calendar (see page 1) for filing deadlines and the meeting location, time and dates. The Plan Commission recommendations are sent to the City Council for hearing and final action. Please refer to the City Council calendar (see page 7) for the meeting location, time and dates.

Once the recommendation is sent to the City Council, the following occurs:

1. The Council has first reading of the proposed ordinance (your request) and then passed on for second and third reading. Public comment is not accepted and you do not need to attend the first meeting.
2. The second and third readings are normally held at the next regularly scheduled Council meeting. The public hearing takes place at this meeting and comments will be heard. **You must attend this meeting in order to make a presentation to the Council or no action will be taken.** It is your responsibility to check with the Council Secretary at 574.294.5471 ext. 3052 to verify the date and time that this meeting will take place. No personal notification is given for Council public hearings.
