

February 2026

Programs & Events ~ at the Elkhart Environmental Center ~

Eco-Valentine's Day

10:00 AM - 12:00 PM

Valentine's Day (and Spring) is just around the corner! Come out to the EEC on Saturday, February 7th to celebrate Valentine's Day in an eco-friendly fashion! Between 10 AM and 12 PM, we will be making recycled and nature-themed valentines for friends, family, and wildlife. Enjoy some holiday treats and explore our site in a heart-themed nature scavenger hunt. This is an open-house style program; come when you can and leave when you need to! **Cost: \$1.25 per person; advance registration required by February 2nd. All ages.**

Bluebird Box Workshops

6:00 PM - 7:30 PM

Join us at the Elkhart Environmental Center for our returning Bluebird Box Workshop on one of two nights - Wednesday, February 18th or Thursday, February 19th - to learn all about the habits, nesting, and history of a crowd favorite, the Eastern Bluebird. After hearing about the lives of these beautiful birds, build your very own nest box to attract them to your property! Both workshops will be held from 6:00 PM - 7:30 PM on their respective nights; sign up for the evening that works best for you! **Cost: \$7 per kit (limit one per household); advance registration required by February 15th. Ages 8+.**

Pileated Woodpecker Box Workshop

6:00 PM - 8:00 PM

Join us for our brand new Pileated Woodpecker Box Workshop this winter! If you have had the opportunity to see a Pileated Woodpecker in person, you know just how stunning (and BIG!) birds of this species are. Looking to learn more about these fascinating woodpeckers? Attend our new workshop to do just that! Participants will learn all about the lives and nesting habits of these birds, then build their very own nest box to help attract a mating pair to their property. **Cost: \$20 per kit (limit one per household); advance registration required by February 22nd. Ages 8+.**

Trees for the Hart Plantings

March 14th & March 31st

Trees for the Hart is BACK and we're kicking off spring plantings next month! The City's tree-planting program aims to plant 2,000 trees all across the city by 2028, and we need your help to do it! Join us for our March plantings to kick off the season; snacks, tools, and gloves will be provided! Feel free to volunteer with friends and family - the more, the merrier! For updates on locations and times, please check our Facebook page or our website (cityofelkhartin.gov/eec). **Cost: FREE! Register on our volunteer website: elkhart.galaxydigital.com. All ages.**
