Requesting the DORA Logo for Cups or Stickers

Before ordering new DORA cups or using DORA stickers, please contact the City of Elkhart Economic Development Team for approval.

When requesting approval, please include:

- If you'll be acquiring printed cups or DORA stickers
- Cup size (16oz, 32oz, etc.)
- Cup material (must be plastic or aluminum)
- Cup color
- Printing or Sticker vendor
- Any additional logos, graphics, or stickers on cup
- Mock-Up or photo of the designs on the cup

Timeline

Please submit your request at least 5 business days before placing your cup order. This allows staff adequate time to review your submission, answer questions, and provide the approved DORA logo to the printing vendor, when applicable.

If your order is large, involves custom artwork, or is needed for a special event, submitting your request at least 3 weeks in advance is recommended.
