

TOMORROW'S ELKHART. STARTING TODAY.

Public Safety Building

Location

Old Chase Building
SE corner of W. Franklin Street & 2nd Street

Description

The former Chase Building will be completely renovated and transformed into the City's new Public Safety Building. It will house the City's Police Department, 911 Department, and Fire Department Administration, as well as a few other City Departments.

Schedule (subject to change)

Renovation work to begin 2026
Complete and open mid-2027

Impacts

Modernized, efficient Public Safety Building for Elkhart's 21st Century. Consolidation of multiple City Departments into one space. Central location for easy access by the Public, and shortest response times by first responders.

Scope of Work

Complete renovation of 121 W. Franklin Street.
State-of-the art facilities for the City's Public Safety first responders.
