Development Services Furniture, Fixtures, and Equipment

The following questions were received for the *Development Services Furniture, Fixtures, and Equipment* project. The following answers are being provided to all known plan holders and will be available on the City's website.

- 1) Request for a finish schedule for walls, ceilings, and flooring.

***Walk off Mat: Shaw Contract Steppin Out Welcome II, 5T031, Color - Ebony 31500
Carpet: Patcraft Data Bank I0692 Simplify, 24 x 24, Color - Streamline 00190
Paint: Sherwin Williams, Super Paint, Satin, Color – Snow Bound 256-C-2
Ceiling Tile: Fine Fissured, Tegular Medium Texture, Color - White***

- 2) Specific height for storage cabinets – 4 high or 5 high lateral?

Our current lateral file cabinets are: (2) 3-drawer 36" wide, (2) 4-drawer 42" wide, & (2) 5-drawer 42" wide. We anticipate needing additional storage options where space is available.

- 3) Can the city provide a CAD floorplan?

The city will not be providing a CAD floorplan.

- 4) Will the conference room table have power?

There will be a floor outlet in the middle of the conference room. This outlet will provide power and data to the conference table.

- 5) How high should the cubicle walls be?

The city is requesting the professionals designing the space determine an appropriate height for cubicles based on the requirements outlined in the RFP and available heights offered by manufacturers.
